Vasse Felix Chardonnay 2024

The quintessential Margaret River Chardonnay. Wild fermented in French oak from premier vineyard plots, delivering elegant power and restraint with wild complexity and natural acidity.

Vasse Felix Cabernet Sauvignon 2022

Margaret River's original Cabernet Sauvignon, made every year since 1972. Wild fermented and matured 18 months in French oak, with vibrant complexity, a fleshy core and impeccable tannin structure.

Vasse Felix Cane Cut Semillon 2024

Made using the Cane Cut method, where fruit is left to dry and concentrate on the vine. Rich and focused, with sweetness and natural acidity beautifully intertwined for a refreshing, elegant finish.
